

Engineering Intern

From the Professional Engineers Act:

Engineering interns

20.1(1) The Registrar shall accept as an engineering intern any applicant for a licence, if,

- (a) in submitting the application for a licence, the applicant requests in writing to become an engineering intern;
- (b) the applicant is enrolled in the Association's engineering intern training program; and
- (c) the applicant meets the academic requirements prescribed by the regulations.

Offence, use of term "engineering intern", etc.

(3.2) Every person who is not an engineering intern under section 20.1 and who uses any of the following terms, titles or descriptions in a manner that will lead to a belief that the person is an engineering intern under that section is guilty of an offence, and on conviction is liable for the first offence to a fine of not more than \$10,000 and for each subsequent offence to a fine of not more than \$25,000:

- 1. The title "engineering intern" or "stagiaire en ingénierie" or any abbreviation or variation of the title.
- 2. The initials "EIT" or "SI".
- 3. Any other term, title or description that will lead to the belief that the person is an engineering intern under section 20.1.

Termination

(3) Subject to a revocation under subsection (2), a person ceases to be an engineering intern on the earlier of the day that his or her application for a licence is finally dealt with or the day that he or she withdraws the application.

From Ontario Regulation 941:

32.1 (1) The class of "engineering intern" is established as a class of persons whose interests are related to those of the Association.

32.1 (2) The Registrar shall accept as a member of the engineering intern class any person who, when submitting an application for a licence, indicates in writing his or her wish to join the class and,

- (a) is enrolled in the Association's engineering intern program;
- (b) has applied for a licence in accordance with the Act and this Regulation and the application has not been finally dealt with; and
- (c) meets the academic requirements for a licence prescribed by this Regulation or is in the process of completing one or more examinations or courses in order to meet those requirements.

32.1 (3) Members of the engineering intern class have the following privileges:

1. A member of the class is a member of the Chapter in the Region in which he or she resides and,
 - i. may vote in the Chapter's elections, and
 - ii. subject to the Chapter's by-laws, may serve as a member of the Chapter executive.
2. A member of the class may attend annual meetings of Members and meetings of the Council, but is not entitled to vote at an annual meeting.
3. A member of the class may be appointed to a committee established by the Council, except as otherwise provided in the Act, this Regulation or the by-laws.
4. A member of the class is entitled to receive from the Association,
 - i. notice of annual meetings of Members,
 - ii. notice of the results of elections held under the Act,
 - iii. issues of the Association's official publication, and
 - iv. any other notice, document or information provided by the Association and intended for members of the class.
5. A member of the class is entitled to receive from the executive of the Chapter in which he or she is a member any notice, document or information provided by the executive and intended for members of the class. O. Reg. 205/09, s. 2.

Engineering Student

From Ontario Regulation 941:

32.2 (1) The class of “engineer student” is established as a class of persons whose interests are related to those of the Association.

32.2 (2) The Registrar shall accept as a member of the engineer student class any person who registers for membership on-line through the Association’s website in the form provided by the Association for the purpose and is enrolled in,

- (a) the Association’s student’s program; and
- (b) an engineering program offered by a Canadian university and accredited to the Council’s satisfaction or for which accreditation from the Canadian Engineering Accreditation Board is being sought.

32.3 (3) Members of the engineering student class have the following privileges:

1. A member of the class may attend annual meetings of Members and meetings of the Council, but is not entitled to vote at an annual meeting.
2. A member of the class may participate in events organized by the Chapter in the Region in which he or she resides.
3. A member of the class is entitled to receive from the Association,
 - i. notice of annual meetings of Members,
 - ii. notice of the results of elections held under the Act,
 - iii. electronic issues of the Association’s official publication, and
 - iv. any other notice, document or information provided by the Association and intended for members of the class.
