

**IEEE KITCHENER-WATERLOO**

**IEEE KW Section Presentation**

## **“Entrepreneurship and the Engineer”**

### **Abstract:**

Have you ever considered starting a hi-tech startup company? There is a freedom and a potential for wealth that is associated with being a founder of a successful technology company but do you have what it takes? This 2 hour presentation features some individuals who are very involved in the local technology sector; Andrew Abouchar from Tech Capital Partners, John Hutson from Deloitte & Touche and Tom Beynon from McCarter Grespan Robson Beynon Thompson LLP. They will each give a short talk from the viewpoints of the Venture Capitalist, the accountant and the lawyer respectively. A panel discussion will follow.

### **Guest Speakers:**

**Andrew Abouchar**, Tech Capital Partners

**John Hutson**, Deloitte & Touche

**Tom Beynon**, McCarter Grespan Robson Beynon Thompson LLP

**DATE:** Tuesday March 9, 2004

**TIME:** 5-7:00 pm
