

Course Management:

The following are the instructions that govern the relationship between the course instructor and the distance education student who is enrolled in ELE-B7-S09D course.

- Each enrolled student will receive the course notes every Saturday.
- A Netmeeting contact session will be establishing biweekly, every other Monday, from 6:00-8:00 pm. Please call 519-576-4563 to establish the contact session.
- The student should email his concern or questions at least 48 hours in advance. The concerns and questions will be addressed and solved during the following contact session.
